

Learning Intention: to design a Pharaoh's tomb.

Sketch a plan for a Pharaoh's tomb. Make sure you label it with everything the Pharaoh would need to have in the afterlife.

Learning Intention: to write instructions to guide someone through your Pharaoh's tomb.

Write instructions to guide someone through the tomb you designed for the Pharaoh.

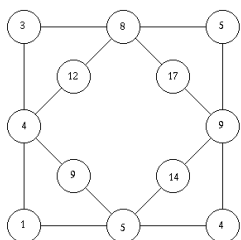

Learning Intention: NRICH task
<https://nrich.maths.org/9131>

Number Squares
Age 5 to 11

Start with four numbers at the corners of a square and put the total of two corners in the middle of that side. Keep going... Can you estimate what the size of the last four numbers will be?

You start with four numbers at the corners of a square. Then you add up the numbers at the two ends of each side and put the total in the middle of that side. So in my example $3 + 5 = 8$, $5 + 4 = 9$, $3 + 1 = 4$, $1 + 4 = 5$.

These four new numbers are added up and the answers put in the centre of the edges of this new square. And so on and so on.

Kandinsky Home Learning Grid

'Walk Like an Egyptian'

Autumn B - 2018

Year 3/4 Expectations

Each week the children will be expected to:

- Undertake the spelling investigation
- Read every night (at least 15mins)
- Complete one home learning task (to the same standard of work produced in school including presentation and cursive handwriting).
- Learn/practise times tables.

Please write the learning intention and date at the top of the page so that we can see which task you have completed.

Parents' role:

Please could you:

- Sign the home learning each week on completion.
- Let us know if they struggled with any of the tasks.
- Indicate if they spent the time on the task but couldn't complete it.
- If resources are a problem for any home learning, please let us know and we can help.
- Let us know if there is a genuine reason why the home learning was not completed.
- Support and encourage, but avoid 'doing' the home learning for them!

Learning Intention: Mathematics Task.

Your task is to complete at least 3 activities from the section Add and Subtract Mental Year 3 and Add and Subtract Mental Year 4.

Please write in your book the DATE and LI so I can check your scores online.

Learning Intention: Design and make your own Egyptian pyramid.

Use a 2D net to make a 3D pyramid. Add detail and colour to your 2D net before creating your 3D construction.

For week of Remembrance Day
Learning Intention: Write and learn a Famous Peace Quote.

Read through Remembrance poem The Fallen and read out loud to a member of your family on Remembrance Day.
Read the Famous Peace Quotes and select one to handwrite and present in your Home Learning book.

Children can access laptops in school if it is difficult for them to get online at home. Please ask.
