

Year 6 SATs support

Websites and resources you might find useful:

English

<http://www.bbc.co.uk/skillswise/english> - This is for adults if you are unsure of something that your child is doing

<http://www.amblesideprimary.com/ambleweb/lookcover/lookcover.html>

This is a useful site to practise key spelling rules.

<https://uk.ixl.com/ela/year-6>

This website sets out all of the objectives in the Year 6 English National Curriculum and if you click on one, it gives sample questions and support if the child answers incorrectly.

Maths

<https://uk.ixl.com/math/year-6>

This website sets out all of the objectives in the Year 6 Maths National Curriculum and if you click on one, it gives sample questions and support if the child answers incorrectly.

www.mathletics.co.uk

All children have their own log in and can pick a range of topics to consolidate.

General

<http://www.bbc.co.uk/bitesize/ks2>

This website has a vast range of resources in all curriculum areas and is very engaging for the children.

<http://www.satspapers.org.uk>

On this site you can download past SATs papers to practise along with the answer booklets. Please only use papers from **2016 and 2017**.
