

Monet Home Learning Grid

Learning Intention: To write a fact file on your favourite superhero.

Choose your favourite superhero and find out their powers and special features. Write this up as a fact file and find or draw a picture to match.

Learning Intention: To practise your 100 key words.

Practise reading and spelling the words you found tricky in your 100 keyword test. You could pick a handful of words and try learning them. Can you test yourself on them? Try putting them into sentences to help you with remembering them.

Learning Intention: To make a poster about healthy eating.

In science we are learning about how to keep our bodies healthy. Can you make a poster to show what foods we should eat for a balanced diet?

'POW! WOW!' Spring A 2019

Year 1/2 Expectation

Each week the children will be expected to:

- Complete the spellings home learning task (Yr. 2).
- Read every night (at least 15mins)
- Complete one home learning task (to the same standard of work produced in school).
- Practise and learn number bonds to 10/20 and the 2, 5 and 10 times tables.

Please write the learning intention and date at the top of the page so that I can see which task you have completed.

Parents' role:

Please could you:

- Sign the home learning each week on completion.
- Let us know if they struggled with any of the tasks.
- Indicate if they spent the time on the task but couldn't complete it.
- Let us know if there is a genuine reason why the home learning was not completed.
- Support and encourage, but avoid 'doing' the learning for them!

Access to the internet: the children can use the laptops at school any break time if they are having problems gaining access to the internet at home.

Learning Intention: To practise quick recall of maths facts.

Your task is to practise speedy recall of your key maths facts up to 10 (or 20 for Year 2). Search for 'top marks hit the button' game and select either number bonds, halves or doubles.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Please write the date and LI in your book.

Learning Intention: Mathematics Task

Your task is to complete at least 3 of the games and the test from:

'Multiplication and Division'

Please write in your book the DATE and LI so I can check your scores online.

Learning Intention: Mathematics Task

Your task is to complete at least 3 of the games and the test from:

'Fractions'

Please write in your book the DATE and LI so I can check your scores online.
