Kandinsky Class Home Learning Grid: Spring A 2020

Was the Victorian Era a significant turning point in British history?

First Home Learning Task (for further information, see additional letter sent home from Mrs Matthews).

Together, with God's help and with the help of others, we learn for life, achieve our best and grow in faith.

Create something which represents our school vision or which represents one of our values. This could be in the form of a 3D model, a poster, photographs, a poem or prayer. Please do be adventurous and we hope to display these alongside our new vision and values board in the entrance corridor at school.

Please send this home learning in to school by <u>Friday 17th January</u> and indicate whether this has been an individual or family project.

Learning Intention: to find out about Victorian toys.

What toys did Victorian children play with? Did rich and poor children play with the same toys? Did all children have access to toys?

Complete some research and present this in any way that you like. i.e. diagram, poster, fact file.

Year 4/5 Expectation

Each week the children will be expected to:
- Learn and practise the current spelling rule.
- Read every night (<u>at least 15mins</u>)
- Complete one home learning task (<u>to the same standard of work produced in school</u>)
- Practise and learn times tables (up to 12x).

<u>Please write the learning intention and date at the top of the page,</u> so that I can see which task you have completed.

Parents' role:
Please could you:
- Sign the home learning each week on completion.
- Let us know if your child struggled with any of the tasks.
- Indicate if they spent the time on the task, but couldn't complete it.
- Let us know if there is a genuine reason why the home learning was not completed.
- Support and encourage, but avoid 'doing' the home learning for them!

Internet Access
The children can use the laptops at school any break time, if they are having problems gaining access to the internet at home.
