Autumn Term 2020

Our church school creates a firm foundation where together, with God's help and with the help of others, we learn for life, achieve our best and grow in faith.

## Covid alert levels

As I'm sure you are aware, the Government has now moved to a 3 tier local alert system. Our school is currently in an area which is deemed to be at alert level 'medium'. As part of our ongoing risk assessment we are looking at what we will implement in and around our school at each level. At the medium alert level please may we remind parents of the importance of the following:

- Please use the 2 metre markers to keep a safe distance from other families
- We recommend wearing a face covering when on school site, particularly if you are talking with others
- Please keep your children with you at all times – we are keeping classes apart at all times during the school day and this is significantly undermined when parents allow them to play together outside when being collected.
- Please leave our site promptly, leaving the gate areas free for other families to pass through safely.

**We are really grateful for your continued support.**

## Children in Need

Our focus for Children in Need this year will be to reflect on those who do not have a safe place to sleep. Picasso class will be learning about a Christian charity that supports homeless children around the world as part of their RE learning over the next few weeks. On Children in Need day, we will spend some time during the day remembering and thinking about the fact that we all

have warm beds and homes to sleep in and how thankful we are for that. As we are trying to limit what is brought into school, we have set up a [Just Giving](#) page which will mean that your donation will go straight to Children in Need. We are asking for a suggested donation of £1 to come to school in pyjamas and this can be donated at the link [here](#). Alternatively, please use the QR code to direct you straight to our page.

## Deadline for Secondary School Applications

A gentle reminder that the deadline for Secondary school applications is 31<sup>st</sup> October. Please ensure that you have completed your choice via the admissions portal.

## Phonic workshop

Our thanks to those parents who joined us for the phonic workshop – feedback has been extremely positive. If you were unable to attend, the PowerPoint used by Mrs Wilcock as well as a helpful overview can be found on our school website [here](#). Please do let us know if we can offer any further support.

## Free Webinar: Sharing the pleasure: the role of talk in reading

We would like to share a fantastic opportunity for parents to attend a webinar on Tuesday 20<sup>th</sup> October 8pm-9pm. This webinar is free and open to educators, librarians, parents and others interested in supporting young people develop the reading habit. The session will include research and

strategies to enrich informal book talk at home and school, and book recommendations that get everyone talking! Please use this [Eventbrite link](#) to book your free place. To view the Book Chat Guide for parents on reading with your child click [here](#).

## Developing a reading habit

Reading for pleasure is so vital and sometimes hearing stories can be just as pleasurable. Book Chat have collated some of their favourites, often read by the author, suitable for different ages. For 7-11 yr olds click this [link](#) and for 3-7 yr olds click [here](#). They have included the book covers so children can see and choose what they'd like to listen to.

## Posters from the Local Authority - Recognising Coronavirus / When to Self Isolate

The Local Authority has produced 2 new guides for parents on recognising and acting upon different symptoms and this has been reviewed by the Public Health and Clinical Commissioning Group. We have attached it with this newsletter along with the new 'When to self-isolate' guide. We have also attached the Quick Guide for Parents which was sent earlier this term. We hope this is useful to parents.

## Play/Lunch times

Some children may have mentioned that we are encouraging 'non-contact' play at playtime such as hugging and holding others. This is to limit the physical contact between children as another safety measure. We have also taken the decision to stop football at lunchtimes whilst the field is so wet. It is getting quite muddy and as such we are starting to see slips and slides which mean children are getting very muddy or having unnecessary bumps.
