'The Secret Garden' Spring B 2018/9

Learning Intention: To make your own secret garden.

Design and make your own 3D secret garden inside a shoebox. What kind of garden will it be, vegetable? Flower? How about a music garden? Get creative!

Learning Intention: SPAG.com task

Visit spag.com and login, you will find your individual login inside the back cover of your reading diary. You have been assigned two grammar activities to complete.

Learning Intention: To go on a nature walk around your local area.

In class we have been learning about Charles Darwin and his amazing work around natural history. Walk in the footsteps of Darwin and become a nature explorer. What plants, animals and insects can you find? Record your walk by writing notes and drawing pictures.

Year 1/2 Expectation

Each week the children will be expected to:

- Complete the spellings home learning task (yr.2).
- Read every night (at least 15mins)
- Complete one home learning task (to the same standard of work produced in school).
- Practise and learn number bonds to 10/20 and the 2, 5 and 10 times tables.

Please write the learning intention and date at the top of the page so that I can see which task you have completed.

Parents' role:

Please could you:

- Sign the home learning each week on completion.
- Let us know if they struggled with any of the tasks.
- Indicate if they spent the time on the task but couldn't complete it.
- Let us know if there is a genuine reason why the home learning was not completed.
- Support and encourage, but avoid 'doing' the learning for them!

Access to the internet: the children can use the laptops at school any break time if they are having problems gaining access to the internet at home.

Learning Intention: To practise quick recall of maths facts.

Explore the mental maths train game on topmarks:

<https://www.topmarks.co.uk/maths-games/mental-maths-train>

I recommend that year 1 stick to addition and subtraction and year 2 try all four operations.

Please write the date and LI in your book

Learning Intention: Mathematics Task

Your task is to complete at least 3 of the games and the test from:

'Length mass and volume'

Please write in your book the DATE and LI so I can check your scores online.

Learning Intention: Mathematics Task

Your task is to complete at least 3 of the games and the test from:

'Statistics'

Please write in your book the DATE and LI so I can check your scores online.
