

## English:

**Text:** The Pirate Cruncher and The Pirates Next Door by Jonny Duddle and Pirates Love Underpants by Claire Freedman and Ben Cort.

**Quest Stories** - retell and sequence quest stories, predict what might happen in a story, learn how to use exclamation sentences, similes and alliteration, explore different verb synonyms, write character descriptions, design own sea monsters, plan own quest story, write quest stories, edit writing by making simple corrections.

**Adventure Stories** - retell and sequence adventure stories, predict what might happen in a story, write the blurb for a story, make simple inferences, write character descriptions, use apostrophes for singular possession, use coordinating and subordinating conjunctions, plan own adventure story, write adventure stories, edit writing by making simple corrections.

## Art/DI

Design and make rockets  
Make maps of the school.  
Create wax paintings of the seas/oceans.

## Maths

To find  $\frac{1}{2}$ ,  $\frac{1}{4}$  and  $\frac{3}{4}$  of shapes.  
To find  $\frac{1}{2}$ , and  $\frac{1}{4}$  of an amount.  
To find  $\frac{1}{2}$ ,  $\frac{1}{4}$  and  $\frac{3}{4}$  of an amount.  
To find  $\frac{1}{3}$  of an amount.  
To write simple fraction number sentences.  
To solve simple multiplication number sentences.  
To solve problems involving multiplication.  
To solve simple division number sentences.  
To solve problems involving division.  
To solve arithmetic calculations involving all four operations.  
To solve problems involving graphs.

# Shipwrecked!

Monet Class - Year 2  
Summer A 2017

## Science

**Topic: Animals including Humans - Healthy Animals**

Understand that babies can be similar or different to the adults and that humans are animals that produce offspring.  
Understand what they need to survive and what else they might need to be comfortable and happy.

Understand that what animals need for survival might be similar or different to humans, depending on the animal.

Discuss why they need certain things for survival, including food and water.

Understand that exercise makes the heart work and that warming up before exercise is important.

Know that some exercise makes their heart beat fast and some slows it down.

Begin to understand that they can observe changes and record data in a simple table.

Begin to explore different lunch box foods and understand which food category they may go in.

Begin to understand what is meant by a balanced lunch.

Understand the role of hygiene in food preparation.

Understand which foods to select for a picnic in order to create balanced, healthy sandwiches.

## Geography

Develop historical knowledge and understanding of the lives and significance of Christopher Columbus and Neil Armstrong.  
Identify the kit needed for an expedition and compare the equipment taken by Columbus and Armstrong on their voyages.  
Compare aspects of life, identifying similarities and differences between different periods.

Use simple fieldwork and observational skills to study the geography of their school and its grounds.

Name and locate the world's seven continents and five oceans.

Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features.
