

## Pottery Club

This club will run on **Tuesday's starting 30th October** and is available for all students in Year 1 to Year 6 and will run for **7 weeks ending 11th December**

**Create:** mugs, coasters, ornaments, holders, jewellery, toys and more using air dry clay. Older groups get to experience the pottery wheel\*. Each child will take their creations home.

It's such good fun to just get out a bag of clay and let kids mould and create while getting their hands dirty (all washable). Pottery kids often laugh and express joy at the feelings, smells, and sounds that clay can make. Manipulating the clay can be also simple first lesson for children, to help them understand that their actions influence the outside world and the art which they create.

While shaping the clay, children must give care to carefully think about their actions – “is the clay too thick?”, “do I want to make it taller?”, “how should this dogs' tail look?” – and so on. It encourages children to think about and create a plan for what they want to do with their creations.

This club will run at 3:15 - 4:15 every Tuesday for 7 weeks.

Payment: £45.50 (£6.50 a week)

If you wish your child to take part in this club then please complete and return this form to the school office by Wednesday 17<sup>th</sup> October 2018 so we can see whether we have enough interest to run the club.
