22nd June 2018

Dear Parents/Carers,

You may recall that this time last year Governors asked parents and carers to give their views about the school via an online survey. This provided a really useful insight into the school and responses genuinely supported us in reflecting on our strengths and areas for development.

Therefore, Governors are once again seeking your views! We have decided to use a paper questionnaire rather than electronic in the hope that more parents will respond!

This is an anonymous questionnaire and you do not need to provide your details unless you would like a response to any queries or questions. We will place a box outside the school office for your returns or you may pass them via your child's book bag in the usual way.

We would be grateful if all responses could be returned by Monday 2nd July 2018 in order that we can collate the responses and share these with you.

Many thanks for your support with this.

Dr Price
Chair of Governors

Together with God's help we: grow in Faith Learn for Life and Achieve our best.
