'Mighty Moats'

Autumn A 2018

Learning Intention: To make a collage of a castle.

Your task is to create a collage of a castle. Use lots of tiny squares of different materials to create your collage. Once you have made your collage you might like to explain to me how you did it.

Learning Intention: To retell a tradition tale.

Create a story board or comic strip of your favourite traditional tale. I would like to see captions to match the pictures and perhaps some speech bubbles.

Learning Intention: To find out about a famous castle.

Your task is to find out about a famous castle. I'd like to see some factual writing and maybe even a picture!

Year 1/2 Expectation

Each week the children will be expected to:

- Practise and learn spellings (Year 2)
- Read every night (at least 15mins)
- Complete one home learning task (to the same standard of work produced in school)
- Practise and learn numbers bonds to 10/20 and the 2s, 5s and 10s times tables.

Please write the learning intention and date at the top of the page so that I can see which task you have completed.

Parents' role:

Please could you:

- Sign the home learning each week on completion.
- Let us know if they struggled with any of the tasks.
- Indicate if they spent the time on the task but couldn't complete it.
- Let us know if there is a genuine reason why the homework was not completed.
- Support and encourage, but avoid 'doing' the homework for them!

Access to the internet: the children can use the laptops at school any break time if they are having problems gaining access to the internet at home.

Learning Intention: Mathematics Task

Your task is to complete **at least 3** of the games and the **test** from:

'Number and Place Value to 50'

Please write in your book the DATE and LI so I can check your scores online.

Learning Intention: Mathematics Task

Your task is to complete **at least 3** of the games and the **test** from:

'Addition and Subtraction'

Please write in your book the DATE and LI so I can check your scores online.

Learning Intention: Mathematics Task

Your task is to complete **at least 3** of the games and the **test** from:

'Time and Money'

Please write in your book the DATE and LI so I can check your scores online.
