Home/School Partnership Agreement

Our School Mission Statement

Abbots Ripton C of E Primary School
creates a firm foundation, where together with God's help and
through the support of
the wider Christian community

We Grow in Faith.

We Learn for Life

through discovery, independence and empowerment, so that we
can have the confidence to flourish.

We believe that

We Achieve our best

through nurturing potential, widening horizons and creating
aspirations.

Together with God's help we:

Grow in Faith

Learn for Life and

Achieve our best.

The school

We will:

Our School Aims

At Abbots Ripton School we strive for excellence within a secure and friendly Christian atmosphere, in which everyone is able to achieve their full potential: intellectually, physically and spiritually, socially and morally. We aim to realise this statement by:

- Promoting Christian values and an understanding of the meaning and significance of the Christian faith. We encourage our pupils to apply these skills in all that they do.
- Creating a happy and secure school community in which all individuals feel valued and respected. We believe that high self esteem, self confidence and happiness are central to our work.
- Enabling all our children to become enquiring, responsible, resourceful and reflective young people, ready to face the future with confidence and to challenge themselves in a changing world to become lifelong learners.
- Providing high standards and expectations, within a broad and balanced curriculum, which inspires and motivates our children to become active, effective learners who achieve their very best.
- Creating a stimulating learning environment where curiosity and enjoyment are encouraged for all and therefore promoting the development of self reliance, self motivation, self discipline and independence.
- Building strong partnerships with parents and carers, encouraging their active involvement in their child's learning and valuing their contributions.
- Providing training to grow future educational leaders to drive forward improvements within our own school.
